## Quote #12206

Hello there,

This should work fine to cut silver. In case its helpful, we are developing a light guided one, which illuminates a laser disc at the exact position and size where you will cut to give you some visual guidance and use material more effectively, but not ready for another 1.5-2 months or so.

Product	Unit Price	Quantity	Subtotal
 <p>Coin Cell Electrode Disc Cutter <b>SKU:</b> CES-CP60 <b>Disc:</b> 20mm <b>Disc:</b> 24mm</p>	\$1,461.29	1	\$1,461.29
