## Quote #12263

Hello, just to double check you want the autoclave without the pressure release valve. The liners you selected are for the other model, but the liner price is the same, so just to double check. The autoclave itself is a little more expensive if you take the safety valve model.

Product	Unit Price	Quantity	Subtotal
 <p>Hydrothermal Synthesis Autoclave Reactor with PTFE Lined Vessel <b>SKU:</b> SS-AC-200 <b>Size:</b> 200ml</p>	€287.20	2	€574.40
 <p>PTFE Vessel for Hydrothermal Autoclave Reactor with safety valve <b>SKU:</b> PTFE-AC-200P <b>Size:</b> 200ml</p>	€126.37	2	€252.74
<b>Subtotal:</b>			€827.14
