Quote #7526

Hello there,

Thanks for getting in touch.

The crimper already comes with a 20xx crimping die, meaning it can do 2032, 2025 and 2016... for other sizes you would need a separate die. What does come separate though is the decrimping die if that was something you needed.

Product	Unit Price	Quantity	Subtotal
 Coin Cell Crimper SKU: CR-01	£1,895.00	1	£1,895.00
Subtotal:			£1,895.00
Shipping:			£10.00 via Flat rate
VAT:			£381.00
Total:			£2,286.00
