## Quote #7557

Of course we deliver to the UK, were based here! The 500ml is not in stock but would typically take about 2 weeks to be ready.

| Product   | Unit Price | Quantity | Subtotal             |
|---|------------|----------|----------------------|
|  <p>Hydrothermal Synthesis Autoclave Reactor with PTFE Lined Vessel<br/><b>SKU:</b> SS-AC-500<br/><b>Size:</b> 500ml</p> | £675.00    | 1        | £675.00              |
| <b>Subtotal:</b>  |            |          | £675.00              |
| <b>Shipping:</b>  |            |          | £10.00 via Flat rate |
| <b>VAT:</b>   |            |          | £137.00              |
| <b>Total:</b>   |            |          | £822.00              |
