Quote #12057

Hello,
That's exactly right, thats the material. We dont have it in stock at the moment, so it would be about 3 weeks lead time

Product	Unit Price	Quantity	Subtotal
 VGCF-H Vapor Grown Carbon Fiber Conductive additive SKU: VGCF-H-100G Size: 100g	€201.04	1	€201.04
Subtotal:			€201.04
Shipping:			€38.00 via Shipping
Total:			€239.04
