## Quote #11952

Hello Nuria, this is the price of the machine you selected. There is also a smaller tabletop version which is not as powerful but maybe ok if your samples are soft. For this one, the machine is definitely no problem, but we haven't yet figured out what die would be necessary to cut your 3mm samples.

Product	Unit Price	Quantity	Subtotal
 Pouch Electrode Die cutter <b>SKU:</b> DCM300	£9,300.00	1	£9,300.00
