Quote #12242

Hello Shijil,
the one you have selected literally just had a hole. There are some with kapton tape available as well, both with a hole on single side or on both sides of the coin cell.

Product	Unit Price	Quantity	Subtotal
 Punched Anode Case of Coin Cell for In-situ Analysis SKU: 2032-INSITU Type: 2032	€143.60	2	€287.20
Subtotal:			€287.20
