Quote #7893

Hello Junru Wang. Thanks very much for your kind words. I attach this quote. Interesting that you work on zinc ion batteries, that used to be my topic as well. I attach a quote for the disc cutter and crimper. Lead time about 4 weeks. About the cold rolling press, are you looking for a manual one (with a handle) or an electric one? the electric one we have is ok for its price but not an amazing one, in case you have other options.
