Hello Sophia,

Thanks for contacting us. I have changed a couple of things from your quote request.

1. you had 250 as quantity on the coin cells. They come in packs of 100 pcs so the system understood it as 250pack. Ive reduced to 3 packs, but please let me know if you needed more.
2. For the cutting discs, I guess you wanted the cutter rather than just the discs, so I added a cutter as well (note this comes with 2 discs of your choice already)
3. Ive converted the prices to Euro for convenience.
